The image consists of three side-by-side screenshots of the iRidium Designer software's Object Properties panel. The first screenshot shows the General tab with properties like Name (vol button 1), Type (Multistate Button), and Active (True). The second screenshot shows the Programming tab with Feedback set to Blink and a list of relations: (0) Relations, (0) Press, (0) Release, (0) Hold, and (0) Move. The third screenshot shows the States tab, where State 8 is selected. The States list includes State 1 through State 8, each with a color swatch and a preview image. The preview images show a blue border with white text for State 1 and a blue border with a black icon for State 8.

No higher resolution available.
